

NORTHWESTERN DRUMLINE

2023 Audition Packet

Dear Percussionists,

We're so glad to hear that you're interested in the Northwestern University Drumline! We are a proud section of the Northwestern University Wildcat Marching Band dedicated to sharing precision and musicianship with the Big Ten community and beyond. In addition, the NU Drumline is a large, close-knit group of friends brought together by their love of performance, rhythm, and marching percussion. Members come from a wide variety of backgrounds and experiences, so all the members of the line learn a great deal from each other as musicians and individuals. Each person is very dedicated to the group, and we can all testify how being a part of the NU Drumline is an invaluable and rewarding experience. Here's a brief introduction to our leadership team:

Scott Simon (Instructor) will be completing his fourth full season with NUMB and is excited to be a part of the team. His marching experience started in 1996 and continued for 8 seasons of drum corps, most notably with Phantom Regiment for the 2000, 2002, and 2003 seasons. He then became a part of the instructional staff with Regiment from 2007-2010 as well as Santa Clara Vanguard in 2011 & 2017. He is currently in his fourth year as a tenor tech for the Cavaliers. Scott also teaches private lessons as well as the percussion class for Prospect High School and Niles West High School. In addition to his teaching, he is very active in the musical theatre scene, playing drums and percussion for numerous productions in the Chicagoland area. Scott received his Master's in Music Performance from Central Michigan University and his Bachelor's from Illinois State.

Jacob Cox (Co-Captain) is a junior from Hudson, Ohio studying Chemical Engineering and ISP. This will be his third year on the line and his third year playing the bass drum! Jacob will be spending his summer giving tours of Northwestern campus to prospective and incoming students through the Tour Guide program. This is his first year as drumline co-captain, and he is excited to get to know all the new members of the drumline this season!

Luke McGorry (Co-Captain) is a senior from Big Lake, Minnesota studying Biomedical Engineering. This will be his fourth year on the line, where he plays tenor drums. Luke will be spending the summer conducting research in the Functional Optical Imaging Lab at Northwestern. He is excited to begin his second year as co-captain and conclude his final season with NUMB!

We're all very excited to begin preparing for the 2023 season! Please read the instructions and music carefully, and don't hesitate to email with any questions. You can audition for as many or as few instruments as you'd like – but ***please audition for all instruments for which you would like to be considered.*** Important: Please send us your summer mailing address (including effective dates), phone number, and email addresses (see contact information below). Furthermore, if you have not done so already, please contact the marching band director, Daniel J. Farris, at d-farris@northwestern.edu, and let him know you're interested in participating in NUMB this fall. He can also field any general questions you have about the band here at Northwestern.

Best Regards and Go 'Cats!

Video Auditions

If you live a distance from campus that prevents you from participating in the on-campus audition date or are otherwise unable to attend the on-campus audition session, a video of your audition will be accepted. All video applicants should review the requirements below before submitting a video audition:

- The video should be posted unlisted on YouTube, with the link sent to srsimon23@yahoo.com, jacobcox2025@u.northwestern.edu and lukemcgorry2024@u.northwestern.edu. For full consideration with regards to part assignments on the line, submit your video by **Monday, June 19, 2023 at 11:59 PM CST**. However, we will continue to accept videos beyond this date, if necessary.
- Mark time during all parts of the audition. This means to “march in place.” Stand with your feet together and parallel. Starting with the left foot on beat 1 of every measure (in standard 4/4 time), lift the foot about an inch and press it into the ground on each count. The ability to mark time while playing is an important component of the audition for all instruments.
- Please perform all exercises/etudes/cadence excerpts with an **audible metronome** in your video.
- Unless otherwise specified, please perform all exercises/etudes/cadence excerpts two times.
- Videos must show your **entire body** and the instrument. Please make sure that we can see your feet in the video.
- Please announce your name at the beginning of the tape.
